My deepest condolences to Bruces' daughters, family and
friends.

You were respected and a great bloke to work with on the truck
whilst working GDs at Wollongong back in the 1980s.

And you loved your aluminium tea pot.

Hi Everyone

Just a big thank you for all those who sent me birthday wishes yesterday. Seeing the names of my former police mates brought back good memories – a real blast from the past. Thanks to all my family and rels also.

My wife and I are still living in Corrimal in the house we brought 44 years ago. In 2013 by pure chance I found out I had kidney cancer. Not many complications – no kemo – just a key hole operation to remove the kidney and I was back in business. I really dodged a bullet though.

I am still playing competition squash twice a week. Even I can't believe I am still playing 52 years after I started in 1964. I walk 5ks every day of the year and surf at Towradgi Beach every good day in the summer. I have been blessed with good health. Life's good.

For those former cops who remember my daughters (a few lifts home in the PD after a late night) they are all going well and all three are Flight Attendants with Qantas. Not the cops for

them.

To Terry Gilchrist : the pink bats are still working fine.

Thanks again and I hope to see you at the one of the RPA meetings.

Cheers. Bruce
