Deepest condolences to Nicks wife Jessica and their daughters
Lizzy and Daisy.

* Story behind any Nickname: Beef Man = ?

In 2022 Nick contracted Bacterial Meningitis which brought on

a couple of strokes and then a heart attack.

Nick, despite being on the cusp of death, managed to rally and came good.

With the aid of rehabilitation for months, he was able to return to work in an administrative role.

Unfortunately his brain was not functioning correctly and he had to take 'sick leave' again.

Although he was still on the 'roster', he was not able to physically return to VKG for months – leading up to his untimely, and young, death.

Nick, from all accounts, was a great guy, highly intelligent, always the gesture and far too young.

He died in his sleep and looked as though he was simply taking a nap.

Forever – Rest In Peace.
