RESCUE OF LOST BOY AND GIRL

Hauled Up Face of Mountain Cliff

KATOOMBA, Sunday.—A boy and a girl, lost under Sublime Point, Leura, were brought up the cliff face by ropes this morning.

A youth of 14 named W. Green, of Wangalla Road, Lane Cove, showing signs of strain and hunger, called at Katoomba police station at dusk yesterday and said that, with another youth and a girl, he went on a hiking party from the Valley of Waters, Wentworth Falls, on Friday. He had been separated from the other two.

Sergeant E. Pratt, First-class Constable J. Walsh, and Mr. Frank Walford, journalist and bush expert, located the girl, Joan Vincent, 15, of Longueville, and J. Holtstead, 14, of 14 East View Avenue, Eastwood, by the fire they had lit under Sublime Point, Leura.

As the rocks and bushes were wet and slippery, the police decided to abandon the search and resume at daybreak.

They found the girl and youth at half past nine this morning, and brought them up the cliff face with ropes. Although scantily clothed, the boy and girl seemed in good health after the night in the bush.

Today I remember all those that have gone before us, regardless of how they died or whether their name is recorded on a wall, or monument, or not.

I specifically spare a thought for those that lay in unmarked graves throughout the state-we shouldn't permit this to happen or continue. For that very reason a special thought for Sgt 3rd Class Pratt killed in 1948 whose grave is pictured below.

Olwyn Pratt Edmonds That tiny cross was placed there by his granddaughter Stephanie and her children during the last school holidays.,I have not been there since I was a child as I didn't know where to find it till recent years. I went there as a teenager looking for a headstone, but as we now know , there wasn't one to find. Only in recent years was I able to find the location.

About unmarked police graves. I have been waiting for about 4 years for the Police Department to erect a headstone for my father Sgt 3/c Edwin Oliver Pratt. Promises promises. Last time I heard months ago that they were in the process of getting quote from stone mason for a full grave marker., but nothing since. The officer in charge is a very busy man indeed, so I do try to understand the delay. Would like to see it done in my lifetime.

Rod Pratt Thanks for going to the trouble of putting this on the page. I have been asked a lot if Sgt. Ed Pratt was related to me, and to be honest, I didn't know. My dad was from Junee, and died when I was young, so I never really got the chance to find out a lot about him. When I saw the death certificate, and the fact that Ed Pratt was also from Junee, I went digging into state records and found that he was my fathers cousin. We have a lot of links with NSWPF, but mostly on my mothers side, and it was great to discover this new link. Police Remembrance Day has always been a big issue with me, due to the mates I have lost in the job, this is an even stronger link. Cheers Greg

Greg Callander That is cool Rod Pratt. I was contacted, a year or two ago, by Olwyn Pratt (<https://www.facebook.com/olwyn.prattedmonds?fref=ts>) who is the daughter of Ed. I would assume that she will have more information on Ed and, maybe, your father. It is certainly worth contacting her. Olwyn isn't a member of this particular FB Group but is a member of NSW Fallen Police FB Group. I tried to 'tag' her to this message but, because she isn't on this page, wasn't able to.

FORMER WAGGA POLICEMAN FOUND DYING AT COROWA

A former Wagga police sergeant, who was found at the rear of the Corowa police station on Saturday night with a bullet wound through his head, died shortly after being admitted to the Corowa Hospital.

HE was Sergeant John A. Millar, 52, officer-in-charge of the Corowa Police Station.

Millar was found by Inspector Yardy, who had gone from Albury to Corowa to investigate a report that Millar had been missing from the police station for a few days.

Millar had not been on duty for three days.

Inspector Yardy, accompanied by Sgt. McGuinness, of Albury, arrived at Corowa on Saturday afternoon and interviewed Millar at his home, which adjoins the police station.

Shot Heard

Millar was resting at the time, but agreed to accompany the two police officers to the station.

He went outside for a few minutes and a shot was heard.

Inspector Yardy rushed out the back and found Millar lying on the ground with a bullet wound through his head.

Millar is said to have been worried a good deal lately over

his police duties.

As soon as news of the tragedy was received, Superintendent Parmenter, of Wagga, left for Corowa and took over inquiries with Inspector Yardy and Detective Munro, of Albury.

Inspector Parmenter will return to Wagga today after the funeral at Corowa, which he will attend.

Millar's wife, who was holidaying in Sydney, returned to Corowa yesterday, accompanied by her son, who is a member of the police force.

Was at Holbrook

Sgt. Millar was well-known in Riverina. He took up duty at Holbrook after being transferred from Sydney and was stationed there about two years before coming to Wagga.

After about eight months service at Wagga, he was transferred to Corowa last year as officer-in-charge.
