DOUG ROBERTSON AT BADGEE PARK CARAVAN PARK, SUSSEX INLET where he and the family used to holiday – 1980.

Michael McGann Jeez the good are going aren't they. Doug was a Sergeant at **River wood Call Box** under **Bill Lavette** when I was transferred there in early **1976** from Hurstville. Tough, full of common sense, approachable, full of respect for the man. Nothing was too much trouble for **Doug**. The last time I saw him was when I was in the **Bathurst bike riots of 1983**. He was one

of the **bosses** of the **TRG** and I was in the **compound** when it started to hit the fan. When they cut the power I went up to **Doug** to ask him how I could help and he said grab a floodlight and do your best. Later he signed my **HOD forms** when I got injured.

Good bloke **Doug**. Very sad to see him go the way all good people go. We could use more blokes like **Doug**.

## Greg Kelly to Ex NSW Cops Who Want To Enjoy Their Time On FB.

August 16 at 5:02pm ·

I'm wondering if anyone can point me in the direction of getting one of these police caps. In 1989 I was approached by Ian Beckett in this photo below, who had become a fraud squad detective, resigned and was then the National Investigations Manager at NZI Insurance. Ian has been a friend and mentored me in civil and insurance law areas until his retirement. Ian passed away yesterday following a stroke about 12 days ago. His family would like to borrow one of these caps to place on his coffin for the funeral service next week. I S Beckett, RIP mate, always respected and respectful of Police and Fire Brigade officers, thanks for the many smiles, laughs and much guidance to this bloke over the last 28 years 🙄 ????you will be missed especially by your wife Barb, kids Craig and Michelle, their families and your great grand kids.
